Obstacles between many of us and Christ . . . and Actions to Overcome Them

As we enter into a new year, many of us strive to find and make New Year's resolutions. Often the focus of these resolutions is the material world we live in, but we also need to take care of the spiritual. I came across this article, which I will offer in this week and next week's bulletin that names some common spiritual ailments that affect many of us (we cannot fight against them unless we acknowledge them) and it offers some practical advice on what we can do about them.

- **Pride** – We have to surrender on an ongoing basis to Christ for His will to be done in our lives. He is not looking for a copilot. He is the pilot. We simply have to recognize that we are not in charge—as much as we want to be! Our active practice of humility will counter the sin of pride.
- **We don't fully appreciate the Eucharist** – All of us have an opportunity every single day to have the most personal relationship possible with Christ by partaking of the Eucharist during Mass, yet we may not truly understand or appreciate this great gift He has given us. Many parishes offer Eucharistic Adoration, which provides an opportunity to kneel and pray before the True Presence of Christ in the Blessed Sacrament. We will never know Him if we don't spend time with Him.
- **Lack of a prayer life** – We can't have a relationship with Jesus if we never talk to Him. I will work harder on my daily prayer with the goal of at least an hour a day devoted to prayer. Sound difficult? Think about how much TV we watch a day. Consider how much time we spend in our cars each day and how much time we devote to exercise. We have more than enough time for prayer if we plan for it, schedule it, and commit to it. Pray the Morning Offering or other prayers before you leave home (ten minutes), five decades of the Rosary in your car or while exercising (twenty minutes), the Daily Jesuit Examine (fifteen minutes), Grace with all meals (five minutes), and with your children and spouse (ten minutes). Add it up, and we just did an hour of prayer.
- **Misunderstanding our true vocation** – For those of us blessed to be married and have children, we must recognize that helping our families get to heaven and being good spouses and parents (and not our business careers) is our real vocation. It is so easy to allow our family to serve our work (my issue many years ago) instead of having our work serve our family, and, in turn, our family to serve the Lord.
- **Not spending enough time with the Blessed Mother** – The surest way to Christ is through the Immaculate Heart of Mary. Seeking Mary's frequent intercession and praying a daily Rosary are necessary in my desire to be closer to her son.

KATIE STELTER

Katie Stelter, from the Chippewa Falls area in the Diocese of La Crosse, will offer a pro-life presentation here in Prairie du Chien on Jan 21, 2015. Katie has a powerful personal message for all on this 42nd anniversary of the Roe vs. Wade Supreme Court decision allowing legal abortions in the United States of America. Since this decision, over 56 million babies have lost their lives through abortion. Katie's personal experience is a profound witness and a voice for those who cannot speak that needs to be heard in our world today. Please plan on attending this talk on Jan 21, 2015 at St Gabriel school hall.

This talk is highly recommended for all, from high school and above. Middle school aged children may attend accompanied by their parents.
