REV. JAMES C. WEIGHNER, PASTOR

20th Sunday in Ordinary Time

"There is a baptism with which I must be baptized, and how great is my anguish until it is accomplished! Do you think that I have come to establish peace on the earth? No, I tell you, but rather division. From now on a household of five will be divided, three against two and two against three." Lk 12:50-52

DEACONATE ORDINATION FOR DR. MARK GRUNWALD

Please plan on joining us in La Crosse for the deaconate ordination for Dr. Mark on October 29, 2016 at St Joseph the Workman Cathedral in La Crosse. These long years of study and prayer are coming to a close, and a new stage is being opened for Dr. Mark. The study program for the deaconate is a five-year program, and takes much dedication and commitment during those years. At least once a month during the winter months, and sometimes more, the candidates go to the St. Anthony retreat center in Marathon for a weekend of formation. In between there are pastoral works, research papers and theological reflections to write. Overall, a very demanding program, but one that pays off as the deacon enters into a new role of service to the people of God in their home community.

Dr. Mark, thank you for accepting the call to serve our community as a deacon, and for the time you have devoted to your preparations.

We would like to offer a bus for the ordination. If you would be interested in joining us in La Crosse on October 29th, please contact the rectory and we will make a list on a first come basis. Right now we do not have pricing for the trip, but will do so in the coming week or so. The trip will include attendance at the ordination of Dr. Mark and his classmates and a reception to follow.

CEMETERY FENCING

If you have been past Calvary Cemetery, you will have noticed that there is work being done on the perimeter fence. This is the first project that the newly formed cemetery committee has taken on. We will be installing a decorative fence 60 feet on either side of the main gate, with a new vinyl coated chain link fence to the corners. In addition, the north entrance will be widened to make it easier to get in and out of the cemetery, especially for the larger trucks bringing down the vaults. We are planning on re-doing the main gate area as well.

We would like to thank the committee members; Joe Atkins, Jim Welsch, Tom Stram and Patty Schauf-Yager for their assistance and guidance in getting this project going. There are other projects that are under consideration at this time, and we will get information out as discussions proceed.

HALL RENTAL

The new Fellowship Hall is available for rent to all active parishioners. If you have an event coming up and would like more information on our hall, please contact the rectory for more information.
