PROJECT UPDATE

Parish Hall: With the annual fish fry coming up very quickly, the hall and kitchen have seen much progress in the last couple of months. As of this writing, the plastering of the walls has been completed; the drop ceiling, the electrical and the bathroom fixtures are moving forward as well. The kitchen plumbing, ventilation and cabinetry are progressing nicely. The kitchen floor has been finished, and the main floor will be finished by the end of this month. While there remains much to be completed and a good cleaning will be required before the first dinner, it is the intention of everyone involved that we host our Feb 26th Fish Fry in our new hall.

Gym / Day Care / Office Center: The majority of the exterior has been completed. Currently the main focus is on the hall, but work continues here as well. The windows are all installed, as are most of the exterior doors. Interior walls, electrical, insulation (90% finished) are all current works in progress.

VIDEO WALK THROUGH If you would like a video update of both projects, check them out on our parish website: www.prairiecatholic.org.

Funding: As posted in the various articles, the one thing that will drive these projects to a timely completion is continued donations. Keeping your pledge current or perhaps reducing your pledge by a year or two will help tremendously. If you need assistance with the automatic payment schedule, we can get you new cards, or your local bank should be able to help you make necessary adjustments to your payment schedule. Also, please send the video link to anyone you know who might be interested in helping with our project. There are many relatives of parish families who no longer live in this area that got their start at St. Gabriel's and St. John's that may consider making a donation if they are asked.
