From the Principal

The school would like to remind everyone to purchase Scrip. Please remember that Scrip money gets the consumer equal purchasing power and the school receives its money from the businesses. You can purchase Scrip from the school office and we will send home an order form the first week of the month. You can also purchase Scrip online. At our CSW open house we will have a table set up to help individuals register online. There are many benefits to purchasing online Scrip including more vendors, different denominations options and weekly specials. Just this week a special was offered to an online buyer with 20% bonus to the school.

During the Open House on Wednesday night, if you sign up for online Scrip or show the table that you are already signed up, you will be entered in a drawing to win a \$20 Kwik Trip Card.

The school will also start a \$50 Scrip drawing for every month. If you purchase Scrip during the month of February your name will go into a drawing for \$50.
