From the Principal

I would like to take this moment to wish everyone a happy and safe summer. Please relax as a family and recharge your batteries.

I would like to thank all the staff members, teachers and Fr. Weighner for all of their help this year. These people are the lifeblood of the school and provide Catholic education to our students.

Thank you parents for choosing Prairie Catholic.

Around Prairie Catholic

The students enjoyed themselves on their field trip to Cave of the Mounds on Monday. Thank you to all the parents that accompanied our children.

The school celebrated the 17 students at our 8th Grade Graduation Mass held on Tuesday. Good luck to the students at the high school next year!

If you are missing any of your students clothing please check the Lost and Found table inside the front door of the school. There is some nice clothing so please claim yours.

This is a reminder that ALL tuition, fees and lunch money needs to be paid ASAP. If you have an outstanding balance, your families Skyward access will be restricted and your child's report card will not be in the final envelope.

Your child's report card is included in this mailing.

The school's Accelerated Reader statistics are in and wow what a year!

The Prairie Catholic students earned 2,846 points. The school also read 43,323,043 words. Great job! Nick Holler read the most words (4,428,711) and earned the most points (639.8) with Kendall Hill and Clare Teynor finishing second and third in both categories.
