

PRAIRIE CATHOLIC WEEKLY NEWSLETTER

May 10, 2018

From the Principal

Dear Families,

Witness the difference in our upcoming year with adaptations to our school model. In preserving the core values and traditions of the Catholic educational system and adapting other elements to mirror the changing face of education, this new, sustainable model is transforming the way we educate youth locally and establishing the blueprint for how we educate youth nationally.

Through creating a new set of standards for excellence in 21st century education, PCS is providing the gateway to better lives and brighter futures for the coming generations of neighbors, employees, and civic leaders.

"*Witness the Difference*" campaign will start this month. We need your support and help in promoting Prairie Catholic School and keeping it strong for generations to come.

Witness the Difference campaign for Prairie Catholic Schools (PCS) is blazing a trail for a new model of education that truly educates the **whole child**. Our schools blend the time-tested traditions that have made Catholic schools great with a vision for the future.

Please join us Wednesday, May 16 at 5:30 in our cafeteria. We look forward to sharing our model with you and campaign!

With peace~

Mary Henry
