OLD BUSINESS

*Building Committee Update: Discussed raising money for the project. All in agreement that a professional fundraising company be hired.

NEW BUSINESS

*Discussed staffing parish dinners & parish activities:

-Suggested a coordinator or committee (consisting of HOLY FAMILY members; not just one church or the other), to come up with a list of activities and dinners, then detail duties & job descriptions for each event.

-How do we engage more parishioner involvement and fellowship?

-Will discuss further at the next meeting.

*Feedback on Welcome Breakfast: only two new members were there. Discussed combining this with the Mother's Day breakfast.

*Finance Council Update: Charlie went to the meeting. Discussed fundraisers, renovations of the rectory and reviewed financial reports.

*Education Committee Update: Holly attended meeting. Discussed school security, possibly adding a "low Mass" to the Easter schedule at 7a.m., new legislation for tax credits at private schools and "Infinite Campus" software will replace "Skyward" in the 2013-2014 School Year.

*Other issues: Box Elder bugs a problem at both churches.

-Only one vacuum cleaner between both churches.

-Discussed having Lector, Server and SCRIP schedule on the website, not just the week coming up (bulletin).

-A parishioner wondered where the money goes that is donated for the flower fund at Christmas & Easter.
