Building project continues to make progress. The money that was given in a 5 year pledge is not all available at this time. A letter was sent in the envelopes asking anyone that could make that a 3 year time frame, instead, would be appreciated. An informational brochure is being developed to state where we are and what is still needed to continue this project.

New Council Membership: Dr. Mark and Patrick Nolan's terms are up. Jody will be moving so she has resigned. Donna Steiner and Mark Forsythe have agreed to fill 2 of the positions. An election on the 12<sup>th</sup> and 13<sup>th</sup> of September would be good if possible.

The Diocesan Rural Life Day for the PDC Deanery will be hosted by St. Wenceslaus parish, at the Jane and Lonnie Achenbach home, Sept.21. A banner representing Holy Family will be taken from one of our churches to represent our Parish.

Parish census information is being accumulated for the annual report and will be sent to the Diocese.

SWOT analysis is being looked at by Scott Kennedy and Jean Carlson. Our 2 vacant positions have been filled at our school. 16 kids are going on the Pope trip. Mary Stoeffler, Jean Ann Dillman and Dr. Mark are the adult chaperones.

Bazaar information is being sent and accumulated. We have asked to have the street closed for the event.

Next meeting will be Sept. 17 @7:00

Meeting ended with a prayer and adjourned.
