Meeting was called to order with a prayer, minutes were presented and motion carried as is to approve, by Mary, 2nd by Molly.

The Vision/ Mission statement continues to be on going and seeking direction as to what would be a more current and future analysis of who we are and what we would like our purpose to reflect.

The JWakers have a Burlingham, Alabama, trip in July. They will also go in September to see the Pope. Questions as to cost, who will go, if chaperone's fee can be covered, also fund-raising or sponsorship ideas need to be worked out. The Council left it up to Father Weigner and Mary Stoeffler to make the decisions necessary.

The building project continues to progress. The structure at St. Johns is up and we are under cost so far. The moving of the playground equipment at St. Gabriel's will be the first phase on the north campus. At what point will the money that is pledged and not in hand stop either campus to continue?

We need to elect new members to the Council, 3-4 members will be needed. Anyone wishing to nominate someone is asked to bring names to the next meeting. Education is hoping to give a onetime styphon to the teachers that are at their top money scale. One teacher will not be returning. Kindergarten round up will be in April. First Communion will be at St. John's, Sunday 4-12-15. Eighth graders will go to the Cathedral the Tuesday of Holy Week.

Family Life has prayer partners for the Confirmation candidates.

Would there be interest in learning about the Christian Sharing Plan as an exemption to HealthCare.

Next meeting joined with other committees: April 16th at 6:00 St. Johns

Meeting ended with a prayer.
