Building project update has St. John's exterior progressing with siding. Heat will be turned on soon. Color selection will be made by a committee that will coordinate the new building with the current existing color theme from Church. St Gabriel's will start soon with the insulation/tin package process that will be an assembly line type of installation. Father and Wade measured for the hoop location and layout in the gym. Progress will be re-evaluated and small groups will be taking on some of the work left to be finished.

The Capitol Campaign continues to look for ways to get more contributors involved. Letters were sent to appeal to parishioners to inform them of where we are and where we need to be with hopes of reaching more supporters.

Mark Forsythe and Donna Steiner have agreed to join the Council. Father approached a few parishioners with no immediate response. It will be placed in the bulletin asking for volunteers for various ministries.

Finance committee is interested in having a cash raffle in place of the car raffle. It was suggested the lent fish fry or a little later hamburger and fry supper would be where we could draw the winners. How much prize money and number of tickets were discussed and Father will go back to the finance committee with the suggestion.
