REV. JAMES C. WEIGHNER, PASTOR

15th Sunday in Ordinary Time

Jesus summoned the Twelve and began to send them out two by two and gave them authority over unclean spirits. The Twelve drove out many demons, and they anointed with oil many who were sick and cured them.

MARRIAGE AND THE SUPREME COURT

USCCB Nationwide Bulletin Insert

The Supreme Court has tragically declared that states must issue marriage licenses to two persons of the same sex and recognize same sex "marriages" that were contracted in another state. This broad, adverse ruling redefines marriage in the law throughout the entire country, changing thousands of laws regarding marriage, family and children and threatening religious freedom in numerous ways. "Regardless of what a narrow majority of the Supreme Court may declare at this moment in history, the nature of the human person and marriage remains unchanged and unchangeable." -Archbishop Kurtz, President of the USCCB.

WHAT YOU CAN DO?

PRAY, FAST, SACRIFICE: The Bishops have encouraged Catholics to participate in a Call to Prayer for Life, Marriage, and Religious Liberty. Visit www.usccb.org/pray to learn more and commit to praying and fasting for life, marriage, and religious liberty.

ADVOCATE FOR MARRIAGE: Don't be afraid to talk about it. Be a witness for the truth of marriage. Take advantage of opportunities to speak about it kindly with family, friends, neighbors or co-workers. Be prepared for false charges of discrimination and to respond with the following truths in charity. What is marriage? Marriage is the permanent and exclusive union of one man and one woman, for the good of the spouses and for the procreation and education of children. One man, one woman, for life.

THE DIFFERENCE IS THE DIFFERENCE:

Men and women are equal and different. Sexual difference is essential to marriage and raising children. Ignoring or removing "the difference is... the problem, not the solution" (Pope Francis). Mothers and fathers matter. They aren't interchangeable. While single parents and others raising children often make heroic sacrifices and deserve support, society should also affirm every child's basic, natural right to come from and be raised in the loving marital union of his or her own father and mother. Support religious freedom. The First Amendment Defense Act is one way that Congress is seeking to protect religious believers from being coerced to accept, condone, or participate in same-sex "marriage." The Child Welfare Provide Inclusion Act is another important piece of legislation. Please let your representatives know that you support this legislation through our action center, and keep informed of other such measures.

An introduction to our summer seminarian intern:

I am Joe Richards, a seminarian for the Diocese of La Crosse. I was born in California, and raised in La Crosse. After graduation from Aquinas High School in 2008, I attended St Mary's University in Winona and graduated with a degree in Philosophy in 2012. For the past three years, I have served as a missionary with the Fellowship of Catholic University Students (FOCUS) at the University of Minnesota in Duluth. I will begin my Theology studies at St. Mary of the Lake in Mundelein, IL this fall. I look forward to getting to know many of you as I serve here at Holy Family Parish this summer
