November 20, 2022

The annual collection for the retired religious brothers and sisters will be the weekend of Dec. 3rd - 4th . The money donated is held in a fund which Catholic religious orders can apply to support their elderly members. If you want to contribute, envelopes are found in the pamphlet racks in back of both churches. Please take one, complete with your donation, and return to the parish no later than Dec. 11

In 4k, the kids have been hard at work learning this year. They have been learning their letters and sounds, Aa-Ii so far, as well as recognizing and counting numbers 1-20. They are also learning important social skills, such as taking turns, working together, and following simple directions. The kids have been kept excited to learn with our changing themes. So far these have included our units on Apples, Pets, Community Helpers and Fall. We have been working on learning new prayers, such as The Lord's Prayer, and the Sign of the Cross. The kids are doing so well! The kids have also really enjoyed singing and dancing along to our worship songs. I am looking forward to the rest of the school year, and watching these kids learn and grow.

In middle school, we had a busy and great first quarter. We have been restarting extracurriculars to get our middle schoolers involved in our school and community. Last month, we restarted Math Counts. Math Counts is sponsored by 3M and allows students a chance to improve their math and problem-solving skills. We have also had the privilege of restarting the student council. The student council has been busy planning and organizing a healthy bake sale, a Halloween party and a November food drive. I have been extremely proud of their hard work and leadership in our school.
