Politics, Voting and Christian Faith

For over 40 years, the United States bishops have encouraged Catholics to use the values of their faith to shape their participation in political life. This is particularly important at election times. This year, the Diocese of La Crosse has put together documents that should help in this process. They can be found at diocl.org/faithful-citizenship. Printed copies of the lead document on this site are available in the narthex of churches for those without a computer.
