## From the Principal

Dear Families,

*The godly walk with integrity; blessed are their children who follow them.  
(Proverbs 20:7)*

Integrity is the quality of being honest and having strong moral principles. Our staff here at Prairie Catholic not only exhibits integrity but also teach it to our students. We continue to work towards being our best selves every day and expecting that of our students and families. Please be mindful in our discussions about Prairie Catholic staff, and students and keep those discussions positive and of the truth.

Accreditation update: Our application has been submitted for pre-accreditation. We are excited to be starting this process and look forward to spreading the Good News!

We held our first fire drill last week! The students did an awesome job of walking out of the building quietly and getting to their safe location.

Reminder we have no school this FRIDAY! Our dedicated staff will be continuing their education in La Crosse at an in-service.

We have an ALL School field trip Oct. 2. Looks like lots of parents are volunteering! Thank you, we appreciate all the help. Again, please be mindful in our actions, we represent Prairie Catholic and we will uphold our moral values and integrity.

Thank you for making our school great!
