Prairie Catholic is a Catholic School in the Diocese of LaCrosse. As a Catholic school we will teach and advocate our Catholic Faith. All students are welcome in our school, and all parents and legal guardians must understand the Catholic Doctrine will be taught. The passing on of our Catholic faith is our number one priority.

“So we, though many, are one body in Christ.”
Romans 12:5

Outline of the chain of authority to be followed in resolving disputes:

1. Teacher or other school employee
2. Principal
3. Pastor
4. Diocese

Procedure in the Diocese of LaCrosse

When one of Christ's faithful judges himself or herself injured by the decision or action of a person exercising pastoral or administrative authority

in the Diocese of LaCrosse, he or she, first is to confront the person in question with the grievance and seek reconciliation with the person.

If the party who judges himself or herself injured is not able to achieve reconciliation by conversation with the authority involved, he or she may present the grievance to the pastors of the Church within 30 calendar days of the time of the alleged injury. The recourse is to be made in writing and is to state the facts of the conflict, and the reason or reasons why the party judges himself or herself injured. The response to the recourse also is to be made in writing and is to state the reason for the response given.

If the grievance is against an authority in the parish, the appeal first is to be made to the pastor who is to seek to reconcile the two parties. At this level and at the successive levels, the pastor may seek the assistance of others, especially those respected for their ability to reconcile; but in the end the pastoral authority remains responsible for seeking the resolution of the conflict. No consultative body as such or members of consultative bodies, in virtue of their membership, should be given the pastoral responsibility or resolving such conflicts. The consultative body -the parish pastoral council, has responsibility for assisting the pastor in clarifying policies in cases of conflict of interpretation. It does not, however, engage in the administration policies. The pastor is obliged to respond to the recourse within 15 calendar days from the time he receives it. Once the pastor has given his response to the recourse, the conflict is considered reconciled, unless the pastor's response is appealed to the dean within 15 calendar days from the date parties in conflict receive the response.

If reconciliation is not achieved with the pastor's help or if the grievance is against the pastor himself, the appeal is to be made to the local dean who by office has special responsibility for promoting harmony or pastoral action and unity of Church life in his deanery. If the grievance is against the pastor and the pastor is the local dean, the appeal is to be made to the dean of the closest neighboring deanery, with the consent of the diocesan bishop.

The dean is obliged to respond to the recourse within 15 calendar days from the date he receives it.

If reconciliation is not achieved on the deanery level, or if the grievance is against the dean in the exercise of this office of dean, then the appeal is to be made to the diocesan bishop directly. The diocesan bishop makes his own response to the person named. The diocesan bishop is obliged to respond to the recourse within 15 calendar days from the date he receives it. If the grievance is against the bishop, the legislation is the Code of Canon Law is to be followed.

It should be kept in mind that the Code of Canon Law requires a special procedure to be followed by the diocesan bishop in the case of removal of the pastor, or the transfer of a pastor unwilling to be transferred.

“The penalty for a violation of a school of diocesan policy or regulation is to be enforced during the recourse procedure. However, a request can be made to the diocesan director of schools to speed up the recourse procedure. The request can be granted or denied.

Attendance

The school day begins at 8:00 a.m. and ends at 3:20 p.m. Students are not to be dropped off before 7:30 a.m. Upon arrival, students may enter the building and go directly to the cafeteria for Homework Central and Breakfast. Morning prayer and announcements will be done in the cafeteria before students head up to their classrooms.

Students will be dismissed at 3:20. Students will come out the front doors of the school. There will be a safety patrol to get students across the road.

Regular school attendance is required by law. Students should be kept at home only in cases of sickness, serious injury, or contagious illness.

Teachers will take attendance at the start of the school day. Parents should

call school before 8:00 a.m. giving the reason for the absence. If no parent call is made, the school will call home or work to notify a parent of the absence. If a child becomes ill at school or is injured while at school, parents will be contacted before the child may leave the school. A written request from parents, approved by the principal, is necessary if a child must leave school before dismissal. Without permission from the principal or his/her delegate, no child may leave the school premises during the class hours, at recess, or during the lunch period. Children that are picked up after school by someone other than a parent must have a signed note from the parent to do so. Students will have one day per each day of absence to make up work without penalty or reduction of grade. If there are extenuating circumstances additional time can be granted at the discretion of the teacher. After 3 consecutive absent days, a doctor's note is required. When dropping off/picking up outside of regular school start/end times, please ring the bell upon arrival, and the office staff will buzz the child in. The child will be signed in/out by the office staff.

According to Wisconsin state law, Act 239, "habitual truant" is a pupil who is absent from school without an acceptable excuse under sub. And 118.16 for part or all of 5 or more days on which school is held during a school semester. Under the law, guardians are responsible for their children. 118.5 states that "any person having under control a child who is between the ages of 6 and 18 years of age shall cause the child to attend school regularly during the full period and hours, religious, holidays exempted, that the public or private school in which the child should be enrolled is in session until the end of the school term, quarter or semester of the school year in which the child becomes 18 years of age."

Extended Absences

Written notice of a multiple day absence needs to be received by the school office and teacher ONE week prior to the time the child(ren) will be out of school. Teachers are under no obligation to give out work ahead of a vacation or multiple day absence. Teachers will give students returning

from such absences a reasonable amount of time to complete missing assignments, quizzes or tests.

Allergies

Parents are required to inform Prairie Catholic school of any/all student allergies. This includes medications, food and others. According to state law, a completed written doctor form must be provided to the lunch lady and office for modifications.

Appointments

Appointments with the doctor, dentist, etc. should be made after school hours-if possible.

Prairie Catholic School is in compliance with federal and state laws regarding asbestos.

Band

Students in grades 6th-8th grade have the opportunity to participate in band. We provide transportation to and from the Public School in the Prairie Catholic school van for a small fee each month.

Behavioral Expectations

Students attending Prairie Catholic School are taught “to live as Jesus did”. We expect that the behavior of our children is one lived in respect for self and others and with consideration for the safety and well-being of everyone who is in our building and in the community we share. The discipline policy in place reflects the school’s philosophy of how children should act.

Bicycles

Students who ride bikes to school must park them in the designated areas. Students are not allowed to ride bikes on the school playground before, during or after school.

Birthday parties

To avoid hurt feelings, invitations to parties scheduled during non-school hours are to be mailed and are not to be given out at school unless ALL students are invited. Students must have a signed note from their parents if they are making different transportation arrangements due to a party.

*Any balloons or flowers will be delivered to the child after 2p.m.

Children are allowed to bring in simple treats to have the class help celebrate their birthday. Parents are strongly encouraged to send healthy treats and to avoid peanuts, peanut oil or related products.

Bullying

Prairie Catholic school strives to provide a caring, secure, and respectful school environment for all our students. Bullying of any kind is unacceptable. Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. This behavior is repeated or has the potential to be repeated over time. Bullying can be in the form of emotional, physical, verbal or cyber.

Prairie Catholic prohibits any sort of Bullying. The teachers, staff and principal will work diligently to prevent bullying from occurring in school by setting appropriate expectations, character building lessons, and constant supervision of the classroom, hallways and play areas.

All students should be able to speak up and know that their bullying incident will be dealt with promptly and effectively. Bullying incidents will be investigated and appropriate consequences or resolution to the situation will be sought.

If it is determined that students participated in bullying or retaliated against anyone due to the reporting of a bullying behavior, the principal may take disciplinary action, including but not limited to detention, suspension, expulsion and/or referral to law enforcement.

If a student displays any sort of racial bullying, law enforcement will be contacted immediately to prevent any hate crimes from occurring at our school.

1. Children are to walk to and from the bus
2. Children are to be seated at all times while the bus is in motion and until the door is opened

Cafeteria Policy

The cafeteria is a place for students to enjoy good food and friendly conversation. Students are expected to behave in a way that promotes respect for one another and or their school.

- Cafeteria workers and staff supervisors expect mature behavior and good table manners
- Eating is limited to the cafeteria. Food is not to be taken out of the cafeteria unless given permission by administration

General Rules:

- *Form a single line
- *Allow staff into the line
- *Place all garbage in the waste containers

Calendar

Prairie Catholic school follows the public school closely. We do begin school at an earlier date than the public school and parents will be expected to drop off and pick up their student(s) during that week. We do have inservices days scheduled-please follow the school calendar.

Catholic Atmosphere

The physical atmosphere of the classrooms should make clear the Catholic nature of our educational center. A crucifix, Bible, religious articles, prayer corner, and religious bulletin boards are all important parts of our Catholic atmosphere. The faculty are encouraged to show their Catholic faith through prayer at the beginning of classes and at other times when they are assembled with students.

Catholic Schools Week

Catholic School week occurs around the end of January or the beginning of February. Prairie Catholic staff plan appropriate activities and field trips to celebrate the week.

Change of Address

Parents and guardians are to notify the school office immediately when there is a change of home address, email, phone number or any other information.

Child Abuse and Neglect

As educators, all teachers are required by law to report abuse and/or neglect. The La Crosse Diocese has a policy in place to handle these situations.

Classroom Enrollment

Prairie Catholic recognizes that smaller class sizes can enhance effective teaching practices and can support building stronger relationships among staff, students and families. Prairie Catholic further recognizes that maintaining specific class sizes may have significant financial implications and, at times, result in an inefficient use of human and financial resources. Consequently, it is Prairie Catholic's policy to maintain class sizes within a reasonable range as determined through the general guidelines set forth below:

***General Guidelines**

- K-1- Maximum size 18
- 2-3-Maximum size 18
- 3-4-Maximum size 20
- 5-8th Maximum size 20
-

**The principal may make an exception to the maximum enrollment limit if the classroom has a sufficient physical capacity to accommodate additional students.

Classroom Procedures

All teachers have the right to set up reasonable expectations and rules of conduct for the classroom. The teacher reserves the right to impose additional rules or penalties as may be called for by the situation. The classroom teacher sets the standards for the students.

Closing of School

Prairie Catholic will generally be closed when the public schools in the district are closed due to inclement weather. Little Saints Learning Centers will remain open unless specifically stated in the public closure announcement. Late starts or early releases due to inclement weather follow the same policy.

When a two-hour delay is announced, buses will run two hours after their normal schedule and class will begin two hours after the normal start time.

Closures are typically made by 6:30 a.m. and are announced on the local TV and radio stations. We will also send out an email, SMS text via Skylert and posts will be made on Facebook.

Communication

Skyward is an online school community that will be used by school personnel for communication and online grading purposes. Parents have online access.

Parents are asked not to interrupt the activities of the classroom. Forgotten lunches, shoes, books, etc may be brought to the office. The administrative assistant or principal will deliver the item to the room or child. (This year, due to Covid- parents are not allowed to be in the classrooms-when you enter the building you MUST have a mask on and go directly to the office)

Parents who are allowing their children to stay overnight at another home must write permission notes to this effect. One should be given to the teacher so he/she knows that the student is to be allowed to go home with another child and one is to be given to the bus driver who will be transporting the extra passenger, so he/she knows what is happening.

If a parent wishes to contact a teacher, or to check on the progress of their child(ren), the teacher is to be called before or after school. You may email

the teacher and set up an appointment. Teachers and students are not called to the phone during the school day.

Concerns

The following procedure has been established when a parent has a concern with something within the classroom:

1. Contact the teacher-discuss the situation or concern. Try to work together to agree on a solution or make a plan to resolve the issue
2. If the situation has not been resolved, parents may contact the principal. The principal will talk first with the teacher and hold a fact finding meeting.
3. The principal will then contact the parents and set up a meeting if necessary
4. If the issue still has not been resolved the parents will then contact the pastor
5. If the issue has not been resolved-the superintendent will be contact and he is the final decision maker at this point

Concussion Policy

The following protocol has been created to protect students' overall health and academics after a concussion has been diagnosed by a physician.

Signs of a Concussion: The signs and symptoms of a concussion can be subtle and may not be immediately apparent. Symptoms can last for days, weeks or even longer. Common symptoms after a concussion traumatic brain injury are headache, loss of memory, and confusion.

Returning to the Learning Environment

1)The family must communicate with the principal if their son/daughter has been diagnosed with a concussion by a physician

3)Students returning to school partial or full days may do so with the permission of a physician. Partial day or full day attendance must be communicated with the principal. Homework, daily work, quizzes, reading, projects, etc will be completed as tolerated by the student.

Code of Conduct

In all areas of learning, discipline must be considered in the development of the whole person. The Code of Conduct is based on the Gospel message of Jesus. Growth in self-discipline, a responsibility for Catholic moral values and a loving respect for the rights of all persons is encouraged and nourished by the Code of Conduct. To achieve these ends parents/guardians, staff and students work together to create a Catholic school environment. These basic components include:

- a. Teachers have a right to teach. No student will stop the teacher from teaching
- b. Students have the right to learn. No student will stop another student from learning

Based upon the Catholic moral values and loving respect for others taught by Jesus, students:

Frequent communication between parents and teachers result in a collaborative and supportive learning environment for the students.

If you feel there is a concern, please set up a meeting with the teacher first to resolve the situation. If you feel the situation has not been satisfactorily met, then please set up a time to meet with the principal.

Crisis/Emergency/Safety Plan

The administration will implement the Prairie Catholic Crisis/Safety Plan when necessary to protect staff and students from injury or harm. In an event of a crisis, law enforcement and emergency personnel will be called.

Desks/Lockers

Desks/lockers are property of Prairie Catholic School. The school administration and/or teachers have the right to search a student's desk and/or locker. In cases when a teacher suspects a student of having in his/her possession any inappropriate or contraband materials and believes such materials are in a desk or locker, the teacher is to (1.) Ask the student (2.) Inspect the desk or locker.

Discipline Policy

The purpose of a disciplinary policy is to provide a safe, orderly, educational setting in which students can succeed. The discipline policy for Prairie Catholic states: "We believe in a positive approach to discipline." Students need to feel accepted and loved. Prairie accomplishes more than punitive action."

Our goal is to encourage a sense of Christian responsibility. Our discipline policy is based on the belief that a respectful atmosphere is essential if academic, social, and spiritual growth is to take place. For this purpose, Prairie Catholic requires that all students follow the school rules and expect parents to cooperate in the implementation of those rules.

The teachers and staff have Conduct Behavior Forms which are used when inappropriate behavior warrants that use. A section is included on the conduct form to describe the plan of action determined as a consequence

for inappropriate behavior in an attempt to raise awareness of the problem and find a positive approach to correcting such behavior.

Consequences implemented by teachers, staff and/or administrations are as follows: (NOTE: that teachers, staff and/or administration do not have to impose all of the steps for disciplinary action dependent upon the seriousness of the infraction.)

1. Teacher Correction: may include verbal correction, missing recess, temporary removal from class or school activities, or assigned tasks that will be appropriate to the age of the student. If acceptable behavior does not change, a Conduct Behavior Form will be sent to the parents.
2. Conference: when students receive a Conduct Behavior Form twice in a two week period, a conference will be scheduled. The conference will include the teacher, student, and parent. The principal may be asked to be present. Plans are made to bring about a positive change in student behavior.
3. Suspension: violations of a more serious nature may lead to either in In-School or Out-of-School suspension. Involved in this process will be the teacher, student, principal, and parents.

In-School Suspension: an in-school suspension is one which the pupil serves in a specified area of the school building. The student is expected to complete all of the class work missed, due to the suspension, prior to returning to the classroom.

Out-of-School Suspension: An Out-of-School suspension is one which the student serves out of the building, away from the school building and grounds. Involved in this plan will be the teacher, student, principal and parents. The student is expected to complete all of the class work missed, due to the suspension, prior to returning to the classroom.

4. Dismissal/Expulsion: two general situations which may lead to dismissal/expulsion:
 - a. When the moral, academic, or physical well-being of the student body is endangered
 - b. When there is repeated and open disregard for school authority.Dismissal is an action taken by the Pastor and Principal to prohibit the student from further attendance for a period not to extend beyond one school year. The Pastor, Principal and Parents will be involved in this process. Expulsion is an action taken by the Pastor and Principal to prohibit the student from returning to school. In this situation, parents would be offered the opportunity of withdrawing the child from the school.

Detention Policy

Detentions may be assigned for excessive tardiness, dress code violations or behavior issues. Detentions are typically served afterschool from 3:25-4:00. If you fail to serve your scheduled detention, or if you show up late for your detention, you will be given additional detention.

Divorced/Separated Parents

Prairie Catholic maintains strict neutrality between parents who are involved in an action affecting the family unless otherwise directed by Court Order. Prior to the beginning of each school year, each parent enrolling a student will be expected to provide the principal with current information regarding any Court Order that provides specific rights to the child's parents. In the absence of a Court Order, neither parent will have rights over the other parent. Unless directed by a Court Order, both parents, custodial, and non-custodial, are entitled to all grade reports, newsletters, disciplinary action, and teacher/principal conference appointments. Delivery of all such information will be made in the same manner to both parents, which means that it will be sent with the child or distributed electronically via our student information system (Skyward). Please make the child's

teacher aware of any situations at home that might affect the child's performance or behavior at school. When we know about difficult situations, we can do our best to help the student through a difficult time.

Drugs and Alcohol

Prairie Catholic is a drug, alcohol and tobacco free facility. Any student that is suspected of using alcohol, drugs or tobacco while at Prairie Catholic will be asked to go to the office and the Prairie Du Chien police department will be notified for further investigation.

If the student is confirmed of using drugs, alcohol or tobacco they will be suspended. The following day will also be a day of suspension.

Any offenses of this nature may result in expulsion.

Doors of the School

Doors will be open at 7:30 for students to enter. Students will go directly to the cafeteria for Homework Central and Breakfast. No students are allowed to go to the classroom.

Dress Code

Prairie Catholic believes that following an established dress code is an integral part of the preparation of your son/daughter for life in future professional, academic, and religious environments. Faculty and students at Prairie Catholic are expected to dress in a God-pleasing manner with focus on the dignity of the human body. It is Prairie Catholic's expectation that parents will offer proper guidance to their son/daughter in matters of dress.

DSP 5690 (Diocesan Policy 5690) states that the manner of dress helps the student grow in the virtue of modesty which is at the foundation of

self-respect and respect of others. It further states that dress codes safeguard and promote the Christian learning environment and that expectations are raised positively when there is a different style of dress for school than for other more casual and relaxed venues. For additional reflection on clothing choices, refer to CCC 2522(Catechism of the Catholic Church 2522)

The dress code is enforced for grades 1-8. 3K, 4K and K are not expected to follow the dress code but are encouraged to. The dress code is in effect from the time the students enter the building and remains in effect until after their departure. Any exceptions to the dress code will be announced during morning announcements or in the newsletter. Violations are to be addressed immediately! Students in violation will be asked to change-Prairie Catholic will provide some dress code appropriate clothing. Or may be given detention (for 3 or more violations and parents will be notified via email, skylert, or phone call. The faculty and administrator of Prairie Catholic have final determination on acceptability of student dress in cases where there is a difference in opinion.

Electronic Resource/Internet Acceptable Use Policy

Overview

Electronic communication provides vast, diverse and unique resources. The educational goal in providing a technologically-rich environment to teachers, staff and students is to enhance and promote educational excellence through resource sharing, innovation and communication. Electronic resources provide an alternative mode of finding information in greater depth and at a faster rate than traditional research and communication opportunities afford.

Electronic Resources are defined as information stored on a variety of devices including, but not limited to: computers, tablets, laptops, CD's, programmable calculators, digital cameras, video play/recording devices, audio play/recording devices, and Internet connections.

Prairie Catholic School views information gathered from the internet in the same manner as reference materials identified by the school. Specifically, the school supports resources that will enhance the learning environment, with direct guidance from the staff. Independent exploration is also encouraged. However, access to computers and people all over the world also offers the availability of material that may not be considered of educational value in the context of a school setting. The faculty of Prairie Catholic cannot prevent the possibility that some users may access material that is not consistent with the educational mission, goals and policies of our school. It is the responsibility of users and their parents or guardians to honor the use restrictions and help enforce appropriate use of electronic resources and Internet access.

The library is not a place to visit with friends, play games or sleep. Students failing to observe these guidelines will be asked to leave the library.

Please treat all library equipment, furniture and resources with respect. Many books, magazines and reference materials have been made available to students through the generous donations of time and money by parents, administrators, teachers, and community members. The best way to show your appreciation for this generosity is to use the library and its resources with care. Food and drink are not allowed in the library!
